Excerpt from Journal

Office of Legislative Counsel

Tuesday - 21 April 1959

25X1 Talked with Jay Sourwine, Senate Internal Security Subcommittee, who has read the [] material and believes it is most useful and he has recommended that the Subcommittee request his appearance. In view of Senator Dodd's interest in the matter and his activities in current hearings, the matter will not come up until after 1 May. Sourwine stated that he would call me shortly before that date officially to request that arrangements be made.
